Chairman's statement

1. Affordable housing

1.1 The Sidings

This development is now complete.

1.2 Future affordable housing

The second phase of the development at Ashton Green is still ongoing. Given that planning was originally granted for a total of 28 homes on the entire exception site, in accordance with Policy SP3 (Affordable Housing) of Ryedale's Local Plan Strategy in relation to such rural sites, the Council will continue to work closely with Yorkshire Housing and Ryedale District Council to ensure that:

- any further development of Ashton Green will only take place after local need for such development has been proven
- occupancy criteria ensure priority for local people
- properties developed as "affordable housing" remain so in perpetuity.

The Council has worked closely with Sanctuary Housing to fill empty properties as they have become vacant. Again, as in 2014/15, tenants fitting the occupancy criteria have been difficult to find.

Any person interested in securing affordable housing in the village can access all the necessary information on Ryedale District Council's website. Alternatively, they can contact the Housing Options Team on 01653 600666.

For further information about existing or further proposed development or for assistance with any other local housing need, please contact the Clerk.

2. Planning and conservation

2.1 Local Plan Strategy

The Council will strive to ensure that there must not be any further approval of development in Nawton for the whole of the 15 years planning period with the exception of:

- homes, whether affordable or otherwise, that would be restricted in perpetuity to occupancy by households with a proven local need that meets the definition agreed between the Council and Ryedale District Council
- individual conversions
- small scale in-fill

and that any development fulfilling these criteria be in keeping with the rest of the village.

2.1.1 Proposed new development

In 2015 the Council was contacted by Shepherd Homes seeking to begin community consultation discussions in respect of the potential development of 27 homes on land off Beckett Close. The proposed development was to include a mix of 2,3 and 4 bedroomed homes all of 2 storeys in height. 9 of these homes were to be designated affordable housing.

It had been the Council's understanding that the village had, in the last few years, taken its quota of housing. An unprecedented show of parishioners at the Council's April meeting presented an early indication of the strength of opposition to the proposed new development.

As of this date no formal application has been received from Shepherd Homes relating to the development of this site or any other one within the Parish boundary.

3 Road safety improvements

3.1 Temporary vehicle activated speed signs

Nawton has shared a pair of vehicle activated 30mph signs (VASs) with Hovingham for the last four years. The Council continues to believe that a significant benefit to the village (in road safety terms) is afforded each time the VASs are in place and will support their continued return.

3.2 Potholes

North Yorkshire County Council responded promptly to the Council's requests and has carried out repairs to a number of potholes in the village.

3.3 Future road safety improvements

For some years now, the Council has been aware of the potential threat to the safety of all pedestrians using Gale Lane. Of particular concern is the stretch of footpath leading to Ryedale School.

Although it would be desirable to move the access to the school to relieve traffic and pedestrian problems on Gale Lane, at this time funding for such a project is not available. Unfortunately this problem may not be resolved for the foreseeable future. The Council will continue to mark Gale Lane (together with School Lane) as priorities in its winter snow clearing and gritting programme.

4 Other activities

4.1 Grass Cutting

The Council lost its grass cutting subsidy with effect from April 2015. The Council has been able to account for this loss without having to increase existing contributions to the precept. Due to the excellent job that Phil Gospel has done in the last year he has again been awarded the contract for grass cutting and ad hoc Caretaker services in the village for 2016/17.

4.2 Bus Shelter

The project to renovate the bus shelter is now complete. The flags have been re-laid and a new bench has been made and installed by Steve Clements. We wish to take this opportunity to congratulate Steve on an excellent job and also wish to extend thanks for donating the Oak required to carry out the job.

A new Field Maple sapling has recently been planted on The Green. We wish to thank Lady Clarissa Collin for kindly donating the tree.

The Council took advice relating to exactly where to plant the new tree. We were advised to use the current location for many reasons including the future health of the tree and also with a view to its future maintenance.

4.3 Bulb Planting

We intend to carry out more bulb planting this Autumn to enhance the daffodils and crocus flowers seen this year.

Please contact the Clerk with any suggestions you may have for other sites in the village which could be planted with bulbs.

Would anyone be interested in putting in a tender for developing either wooden planters or flower beds or any other ideas, please contact the Clerk

4.4 Commemorative Tree

A double blossom cherry tree has been planted on the grass area at the entrance to Chapel Street to recognise the contribution that Libby Capstick made to the parish. The tree has an informative plaque staked into the ground nearby to recognise her contribution to the village.

4.5 Highfield Lane

One was again drawn to Highfield Lane when concerns were raised by parishioners in relation to:

- the destruction of grass verges
- flooding
- significant increase in traffic use
- noise pollution

The Council wrote, at length, to Ryedale District Council to voice its concerns but was informed that there is currently no funding available to provide remedial action. The Council will continue to raise the matter regularly with Highways in an attempt to try to improve conditions for residents.

This situation is ongoing. We have suffered unusually wet weather this year which has affected the drainage of Highfield Lane. This has been particularly bad where the bridle way leads from Highfield Lane down to the Howl. The County Council are aware of the problems in this area but we have been advised that no money is available to rectify the problem.

4.6 Neighbourhood Watch

The Council continues to be updated weekly, by Terry Wallis (area NHW coordinator for Kirkbymoorside and the surrounding villages), with all current alerts in relation to village safety.

Anyone interested in receiving these alerts or in volunteering to act as a local NHW coordinator should contact the Clerk.

4.7 Street Lighting

North Yorkshire County Council no longer operates an ad hoc repair service for street lighting. As a result, in 2013, the Council subscribed to North Yorkshire County Council's formal Maintenance Plan. All streetlights owned by the Council are now routinely inspected, cleaned and have replacement bulbs fitted on a 2 yearly basis. This is next due in 2017. Repairs carried out in the interim period are charged individually at a rate set out in the Maintenance Plan.

Last year it was proposed to switch off the street lighting between midnight and 5am throughout the village with the exception of the A170. This scheme is now operational. We have received no complaints.

4.8 Footpaths

The Council has applied for a definitive footpath modification order in respect of:

- the path from Pinfold Hill to the Memorial Hall
- the path from School Lane to Beckett Recreation Ground.

At the last enquiry, the Council was informed that the Recreation Ground ranked 41 of 95 and Pinfold Hill, 40 of 95.

In the past national parks have looked after their own definitive maps and footpath modification applications. The parks have now handed this responsibility back to the County Council. Consequently the added burden has pushed Nawton's applications further down the list as other new applications have scored more highly. These matters are ongoing.

4.9 Dog Fouling

The Council continues to notice a significant improvement to the state of the pavements in the village following the installation of a bag dispenser on the dog waste bin on the main road. The Council replenishes bags regularly and villagers are encouraged to use them responsibly.

Nevertheless, the Council would still be grateful if you could report any incident of dog fouling that you witness to the Dog Warden at Ryedale District Council, giving the time, date, place and description of the dog and its owner, and if possible the name and address of the dog owner. All information given by complainants will be treated in the strictest confidence.

The council would wish to ask dog owners to refrain from depositing dog waste in ordinary litter bins and to either take the waste home or to please deposit it in the dog bins provided around the village.

We have received complaints from members of the public who enjoy sitting on the seats provided around the village that have litter bins sited nearby.

4.10 Oil Cooperative

Yorkshire Energy Partnership has teamed up with Scarborough and Ryedale District Council to form oil clubs which will bulk buy fuel in order to keep prices down and help to reduce fuel bills.

Anyone interested in joining an oil club can call 01904 545 020 or email oilryedaleandscarborough@energypartnership.org.uk.

4.11 Snow Clearance

Another mild winter has enabled the Council to retain more than adequate stores of grit and equipment for Winter 2016/17.

Due to the mild weather there has been very little snow to clear, however we are keen to maintain a list of volunteers to ensure that paths are kept clear and that those most in need can get in and out of their homes safely. If you would like to join the list of volunteers, please contact the Clerk.

4.12 Parish Notice Board

The left hand side of the notice board remains unlocked, so that parishioners can display appropriate posters/notices. Please respect other users and only remove items when the event has expired.

A copy of the signed minutes of the previous Council meeting is displayed each month on this part of the board.

It has been suggested that the village notice board is not very well placed within the village. The Council will consider relocating the board to a more accessible position later in the year. Anyone who has any suggestions is encouraged to contact the Clerk.

4.13 Website

We now have our own village website.

Just type in www.nawton.ryedaleconnect.org.uk, into your computer or search for Nawton ryedale. Many thanks to Joe Gregory, Michael Tanner, Anne Twine and Ryedale District Council for helping to set this up. The site covers Parish Council member's details, news, meetings and minutes, as well as village events including sports fixtures, Neighbourhood Watch updates, school events, and village news with useful links to local organizations. We have also listed local business.

If you have anything you would like posting we would be pleased to hear from you. It's your website, completely free to use and a great way of getting your message out to the community as more people use computers. Contact links are on the site for the Clerk and the editors.

6 Governance

6.1 Code of Conduct

Transitional arrangements (confirmed in the Localism Act 2011 (Commencement Order No.6 and Transitional, Savings and Transitional Provisions Order 2012) SI 2012/1463 brought into force on 7 June 2012 confirmed that a parish council must adopt a new code of conduct to take effect on or after 1 July 2012.

Consequently, pursuant to section 27 of the Localism Act 2011, the Council has adopted the National Association of Local Council's final template Code of Conduct to promote and maintain high standards of behavior by its members whenever they conduct the business of the Council.

6.2 Attendance at Council meetings

A Council meeting was held every month from April 2015 to March 2016, with the exception of August 2015. Attendance by Councillors was as follows:

	Number of Council meetings held	Number of Council meetings attended
Russ Dickinson	11	11
Joe Gregory	11	8
Andrew Edwards	11	6
Anne Marshall	11	7
Debbie Swift	11	11
John Windress	11	11
Mike Jackson	11	10

6.3 Transactions with Councillors

No Councillor received any remuneration directly or indirectly in respect of fulfilling their role as Councillor.

6.4 Transactions with the Clerk

The Clerk was remunerated according to salary scales recommended by the National Association of Local Councils and Society of Local Council Clerks, salary point 21. She was paid monthly in arrears by the Council, and received a total of £1,443 up to 31 March 2016. In addition, she received £115 as reimbursement for expenses incurred on behalf of the Council. This related to postage, stationery, use of private vehicle for Council business, calls to mobile phones and computer inks.

7 Changes in officials

I was elected Chair in May 2015 and Joe Gregory was elected Vice Chair.

The Council would like to thank Jo Powell for her years of service and to wish her well. Joe Gregory, Anne Marshall and Mike Jackson joined the Council in May 2016

As always, thank you to all the Councillors for their continued efforts and commitment to the community.

8 Finance

8.1 Precept

The Council has decided to maintain the precept at £5,393.

The Council will continue to identify areas in which it is able to make savings in order to ensure that, where possible, it will not increase the burden to local council tax payers.

8.2 Accounts

The Council's financial position is set out in the financial statements on the following pages.

9 Annual Parish Meeting

The Annual Parish Meeting will be held at 7:30pm on Monday 16th May 2016 in the Pavilion at the Beckett Recreation Ground. The agenda is inside the front cover of this newsletter.

I look forward to seeing you there and to answering any questions you may have about the Council's stewardship of the Parish in the past year and its plans for the future.

Chairman 1 April 2016

Financial statements

Bank balances

Year end

The bank balances at 31 March 2016 in aggregate were £10,976. Of this amount, £10,875 was held in the Council's current account and £101 was held in the Council's Business Money Manager Account. Both of these accounts are with HSBC. All figures have been rounded to the nearest pound.

Year end bank balances compared to 2014/15

The bank balances at 31 March 2016 in aggregate were £2665 less than a year earlier. The reasons for the decrease are explained in the receipts and payments sections.

Year end bank balances compared to target

The Council's objective is that the year end bank balances in aggregate should, in the absence of any known special projects for the following year, approximate to the annual precept from Ryedale District Council. In 2015/16 the precept was £5,393.

The bank balances at 31 March 2016 in aggregate were £5,583 greater than the target. The Council anticipates that it may need to spend the following on special projects in 2015/16 and subsequent years:

- up to £2,000 for improvements to Colley Pond when needed
- up to £500 on additional bulbs
- up to £1500 for a defibrillator

After taking account of these anticipated projects, the bank balances in aggregate are greater than the target. This will provide the Council with an added contingency to account for the small loss in precept subsidy, the loss of the grass cutting subsidy and in anticipation of reduced income from grants and subsidies.

Adequacy of funds

The Council believes that the bank balances at 31 March 2016 together with the expected precept receipts from Ryedale District Council will be adequate to meet the Council's planned expenditure for 2016/17 and that the insurance policies in the name of the Council will be sufficient to cover any other unavoidable expenditure.

Receipts

Receipts in 2015/16

Gross receipts for the year were £6,648. The receipts came from the following sources (figures rounded to the nearest pound):

- the precept from Ryedale District Council £5,393
- payment from Nawton Shoot in consideration for shooting in Howl Wood and Nawton Quarry £50
- Grant for technology to maintain website £788
- VAT refund (£417)

Receipts in 2015/2016 compared to 2014/15

Gross receipts for the year were £224 more than in 2014/15. The main reason for this net increase is as follows (figures rounded to the nearest pound):

- £788 more from the grant for technology

Payments

Payments in 2015/16

Total payments for the year were £9,315

All figures are inclusive of VAT and rounded to the nearest pound.

- Stationery, printing, postage and sundry expenditure £265 (of which the cost of printing the April 2015 newsletter was £150)
- streetlighting energy used in 2014/15 £985
- maintenance of streetlights in 2014/15 £221
- insurance £310
- rent of the Pavilion at the Beckett Recreation Club for Council meetings and the Annual General Meeting £105
- Clerk's salary £1,443
- Grass cutting and caretaker activities £1,064
- Repair work to Bus Stop £1,248
- Fencing and Benches £2,862
- Computer charges 728
- General Expenses £49
- Dog bags £35

Payments in 2015/16 compared with those in 2014/15

Gross payments in the year were £3,591 more than in 2014/15. The main reasons for this net increase were as follows (figures rounded to the nearest pound):

- £1248 more spent on repairs to bus stop
- £2,862 more spent on benches and repair work to bus stop
- £728 more spent on computer charges
- £171 more spent on the Clerk's salary
- £94 more spent on sundry expenditure
- £94 more spent on stationary, printing, postage and sundries
- £59 less spent on grass cutting and tree surgery
- £30 less spent on rental of pavilion
- £424 less spent on street lighting and maintenance
- £66 less on insurance

VAT

- VAT refund (£417)

At 31 March 2016 there was a debit balance on the VAT account of £602. This will be recovered during the course of 2016/17.

Fixed assets

In 2015/16 the full depreciation of the accounting value of fixed assets other than land has been applied.

Information from village organisations

The Nawton and Beadlam Millennium Wildlife Garden

The Nawton & Beadlam Millennium Wildlife Garden can be found at the north side of the Recreation Field. The Garden is managed as a charity and all fund raising and maintenance is undertaken by a committee of local volunteers. We are always eager to welcome new helpers, whatever your level of experience or expertise.

Please contact Amanda Carroll on 01439 771838 for further details.

HELP! Your Village Hall needs you

Volunteers are urgently needed to join the Village Hall Management Committee. If you are interested, please call Mr Bernard Simpson on 01439 771668 for more information.

If you would like to hire the hall for an event, please call Sylvia Jones on 01439 771235.

Beckett Recreation Ground

The children's play area continues to be well used and will be enhanced because of extra funding from the Open Space Fund. This fund has also meant that the Recreation Ground can replace worn out equipment.

Junior cricket coaching has started and is on Wednesdays from 6-7.00 pm for children aged 6 and over. Boys and girls are welcome.

For further information about activities at the Beckett Recreation Ground, or to hire the meeting room at the pavilion, contact Chris Rymer (Chair) on 01439 771660, or Gordon Harrison (Treasurer) on 01439 771498.
