### **898 Parishioner presentation**

It was reported that NYCC were considering adoption of School lane.

### **899 Minutes of council meeting of 21<sup>st</sup> November 2016**

The Chair agreed the minutes of the meeting of 21<sup>st</sup> November 2016.  
The Chair signed the minutes and the Clerk added them to the minute book.

### **900 Code of Conduct and the Ethical Framework**

Councillor Windress on planning

### **901 Actions from the last meeting**

901.1 The Clerk's timesheet was approved.

901.2 Monthly inspection of Council owned land

All Council Land was inspected and there were no issues to report.

901.3

The condition of the snicket has deteriorated since it was re-surfaced 10 years ago. The

Clerk contacted the school who verified that they owned the footpath and someone resurfaced it some years ago voluntarily. The secretary remarked that they could close it if they wanted. She said she would pass on the information to the headmistress.

This was discussed and because the snicket is a public footpath the school cannot close the right of way.

The Clerk contacted the public footpaths people at NYCC who instructed her to submit a form with photos. Waiting for NYCC to respond.

#### 901.4 Budget

The Council considered the possibility of having a bus shelter at the bus stop near the garage travelling towards Kirkbymoorside. The Clerk contacted highways to inquire about the feasibility of this project and what type of bus shelter we could have and also would it be possible to move the bus stop to Colley Pond.

The Clerk was instructed to contact the transport department and discuss the option of having the bus shelter on the other side of the road and people indicating to the bus to stop while they cross the road. . Some concerns were expressed about siting the stop on the other side of the road due to traffic/ road safety and suitability for pensioners.

The Clerk was asked to find out the requirements regarding raised/lowered footpaths at the bus stop, and to get a rough quote as to the overall cost of having this sited at Colley Pond with the necessary adjustments.

The Clerk contacted Diane Pottage who advised that having the bus shelter on the other side of the road was out of the question. The transport would not allow it for the safety of people crossing the road, the signals could be confusing to oncoming traffic and it would certainly mean a huge rise in insurance premium for the parish council.

**See appendix1**

#### 901.5 Community led housing survey

Councillor John Windress to find out more from RDC. It was noted that Yorkshire Housing were intending to sell off some land. Councillor Sam Jones reported that it was not high priority for Yorkshire Housing.

#### 901.6 Donation

Request for a donation towards new kitchen at Nawton Memorial Hall. The Council asked the Clerk to request a costings list and ask them what they want as our policy is to pay for a specific item rather than just give money. The Clerk has received a letter requesting a microwave. The Clerk will inform Mrs Cowling that Nawton Parish Council would donate up to £100 towards a microwave and to request a receipt.

#### 901.7 Mobile Mast

A request for siting a mobile mast on Beckett recreation ground or 1km from this site has been received and circulated to all Councillors. The Clerk was asked to contact Anna Thomas and arrange a meeting to discuss location. Councillors Mike Jackson, Joe Gregory and John Windress met with the regional manager.

The Clerk sent maps of the areas to the manager for consideration and provided details of Beckett Recreation Ground.

The company are interested in the land that is on offer and want to set up a multi site meeting with the Council.

The company want to know if we accept the offer of £30,000. The Clerk was asked to request more money on account of the projects we are undertaking.
