John Windress on planning

354 Actions from the last meeting

354.1 The Clerk's timesheet was approved and signed by the Chair.

354.2 Monthly inspection of Council owned land

All Council Land was inspected. Form filled in and weather conditions taken into account. Weather conditions for October/November were chilly with little rain, windy at times. The tree inspection has been completed and the Council has received the report from Joe Waites. This has been sent to all Councillors via email and a hard copy attached as appendix 1

The Chair to contact Mr Simpson and ask him to attend the next meeting

354.3 Pinfold Hill

It has been brought to the Council's attention that an access has been made onto Parish land at Pinfold Hill by the house belonging to the Featherstones. This was

discussed and decided that no action would be taken but The Council would keep an eye on the situation.

354.4 Bank charges

The clerk received a letter from HSBC stating that our account would be subjected to bank charges- £8 per month, £1.00 per cheque, £1.50 per credit cheque. The Clerk has asked advice on the SLCC site and other councils seem happy with Unity Trust.

It was suggested that instead of using cheques, the Council could use BACS payments and online banking. The Clerk to ask advice from the Helmsley Clerk. The Council verified that Chairman Russ Dickinson is a signatory for cheque signing.

354.6 Pinfold Hill

There have been a few complaints on the grass cutting on Pinfold Hill. Permission was given to introduce wildflowers on part of the land. A notice indicating the area, yellow rattle seeds and plug plants eg primroses and violets have been suggested.

The Council suggested that wildflowers should be planted on top of the bank by the layby east of the village and a second option would be the bank opposite Kirkdale Manor.

354.7 Community Grant

The Clerk informed the Council of a community grant available. The Council will consider planters for certain areas as well as other options .

The Council agreed that we should apply for 4 planters but they need members of the public to maintain them.

354.8 Sub station

The Clerk has received the lease from the solicitors which needs reading and signing. The Chair will read through the lease and sign at the next meeting.
