The Vice Chair agreed the minutes of the meeting of 20<sup>th</sup> March 2023

The Vice Chair signed the minutes and the Clerk added them to the minute book

**480 Code of Conduct and the Ethical Framework**

**481 Actions from the last meeting**

481.1 The Clerk's timesheet was approved and signed by the Vice Chair.

481.2 Monthly inspection of Council owned land

All Council Land was inspected. Form filled in and weather conditions taken into account. Weather conditions for March were cold and wet.

481.3 Pavements

A parishioner has requested that the pavements in the village need sweeping as grit and debris could be hazardous. The Clerk has been notified that a highway officer will report on the pavement. The Clerk has asked for an update twice but has not received any correspondence.

481.4 The Chair has spoken to Lisa Burniston in connection with Men in Sheds

Pickering. They have said that they would make planters for the Council free of charge. The Cllrs discussed sizes and decided a good size of the planters would be 600x 600 x2000mm. The Chair to pick up finished planter.

481.5 The Clerk was asked to contact highways to assess the bank at the vicarage as rubble is falling on the road. No response as yet. This has been reported twice.

481.6 Renovation of noticeboard

Clr Jackson reported that the noticeboard was beyond repair and The Council agreed that it should be replaced. The Clerk will ask for quotes from 3 local people. The clerk has asked Mr Clements and Mr Palmer for quotes. Another supplier will be asked.

481.7 The Crossing Patrol Officer job advertisement has been re published and a parishioner will be applying for the post.

481.8 Pot holes on Station Road have been reported

481.9 After the decision to cancel the gala because of lack of support, The Council decided to speak with Beadlam Council to see if they were going ahead with the medals for the Coronation.

Further to your speed concern at the above location, we can now confirm that the necessary speed data and information has been obtained, analysed and a decision has been made.

An automatic speed data logger was deployed for a period of 7 days, recording 24 hours a day.

The data obtained indicated a mean (average) speed of 24/27 mph and an 85th%ile of 28/31 mph.

Based on the speed data collected and all other available relevant information, the Roads Safety Task Group has decided that the location is suitable for Community Speed Watch (CSW).

CSW is a scheme that has been launched across North Yorkshire, designed to support local communities and improve road safety by allowing residents to address speed concerns in their local area with the support of North Yorkshire Police. We currently have 60+ groups taking part in the scheme who are seeing improvements in speeds and driver behaviour in their area.

All results submitted by our CSW groups are carefully recorded and analysed. If the results recorded indicate consistently higher speeds than expected, further investigations may take place.

With your support we will be happy to look to launch the scheme in the area, subject to a full site risk assessment. I have attached a guidance pack which explains the scheme in more detail. I have also attached a group registration form for you to fill in with names and details of any people who wish to participate in the scheme.

The Council agreed that we should proceed with the scheme subject to interested parishioners taking part. The Clerk will post notices on the website, newsletter, and noticeboard.
